Tisser means 'to weave' in French. Tisser supports weavers and craftsmen with traditional techniques, skills and techniques by building a marketplace for their products and creations.

Our Vision : At Tisser we promote indigenous arts and handicrafts by weaving a network of artisans across rural communities in India.

Our Mission : Work directly with rural artisans to:-

- 1) eliminate middlemen.*
- 2) Strengthen the value chain of handicrafts.*
- 3) Promote indigenous art while maintaining integrity of craftsmanship.*

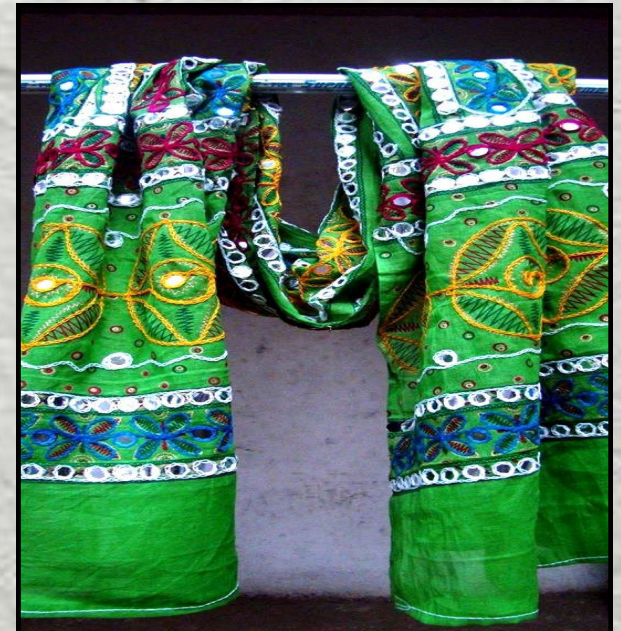

At present Tisser has a portfolio of over 300 products sourced from multiple rural clusters, encompassing more than a 10000 artisans across the country.

We are creating a base for skilled, sustainable rural employment, and preserving India's traditional handicrafts in the process.
